Mayor

Michelle Pourciau,  
Director

## *N.Paca St. From W. Fayette St. to Druid Hill Ave*

This is to notify you that the Department of Transportation will begin road work in your community, **starting on or about July 18, 2018**. This work will take approximately **90** calendar days to complete depending on the weather and scheduling of other city wide road resurfacing contracts. This work will include repairs to selected portions of curb & gutter, sidewalks, ADA ramps, roadway milling, roadway structure adjustments and repaving. The start date and completion time are *estimates only* and may vary depending on the weather and the scheduling of other city wide resurfacing contracts.

We respectfully request your cooperation while we are performing work and strongly encourage you to pay close attention to *parking restrictions* so that work can be performed expeditiously. Parking restrictions will be posted at least 72 hours ahead of any work activity in the roadway. *Please be advised that parking violators will be ticketed and towed.*

For additional information or questions regarding this work, please **contact Mr. Emmanuel Foseh at 410 396-6956** or Mr. Idris Shahid at 410-396-6835.
