Presentation

**Health Sciences and
Human Services Library**

601 W Lombard St, 5th Floor
Baltimore, MD 21201

In partnership with Baltimore Development Corporation, design and development experts will tour and study the corridors to provide planning recommendations. We invite you to discuss how the West Franklin and West Mulberry Street corridors, including the “Highway to Nowhere” can be improved.

Discussion topics include:

- Potential redevelopment opportunities
- Creating a safer, walkable environment
- Traffic calming and transportation improvements

Corridor Study Areas:

- West Franklin Street to Smallwood Street
- West Mulberry Street to Greene Street
